Message to our Members, Partners and Supporters

Thank you for your ongoing support of **Ontario East**. We hope that you all are enduring the current situation as well as possible and want you to know that Ontario East is here to help if needed, and that we are working closely with our government partners to access the latest information to support our local economies.

Now more than ever we are counting on your support, as we will face new challenges in economic development and investment attraction to our region.

In the coming weeks, we will be distributing our membership invoices. Ontario East realizes there are many priorities and challenges for our members and understand if there are delays in processing payments. We appreciate your continued support and look forward to working with you all throughout and after we exit the current situation.
